## WELCOME TO AURORA HALL

Aurora is one of the most contemporary and technologically advanced banquet halls in Los Angeles. We offer specialized, all inclusive amenities and services which set us apart from the competition. Whether it's lounging at our custom bridal suite after a photoshoot or our one of a kind speaker system designed to project sound only at the dance floor, we have considered every detail and perfected your experience at Aurora. We take pride in the versatility and quality of our venue and services. Our management and staff work tirelessly to ensure that all events go above and beyond your expectations.

Whether it's a corporate event or your wedding day, let's make it a one of a kind experience

## VENUE

Our venue is newly renovated and designed to serve events from 250-300 people. The venue is about 9,400 square feet and boasts a luxurious grand foyer, bridal suite, and main hall which is about 4,800 square feet. The large dance floor, where the speakers and projects are focused on can be changed with custom themes to fit your event or personality.

Our kitchen has a safe working environment and contains the latest in cooking appliances to ensure your food arrives on time and perfectly prepped.
